applications

Please contact your adhesive supplier who will recommend the appropriate adhesive for all **RENOLIT EXOFOL** films, as well as the necessary machine parameters. Further information is available in the technical information sheet "Processing Recommendation **RENOLIT EXOFOL FX**, **RENOLIT EXOFOL MX**, **RENOLIT EXOFOL PX** and **RENOLIT EXOFOL PFX**".

An overview of the approved adhesive systems for **RENOLIT EXTERIOR** films can be found on the following website: www.GKFP.de

This listing of adhesive suppliers has no ranking and is without any classification of quality. There may also be other adhesive suppliers offering suitable products for **RENOLIT EXOFOL** films.

This technical information sheet represents our latest state of knowledge and shall inform without obligation. The herein stated details do not release the manufacturer using our films from their own inspections and tests, which must correspond with the relevant national guidelines for its individual intended purpose. It is the duty of the customer to determine if the purchased product is suitable for its intended purpose.

The recipient of this information shall neither forward nor publish the content or parts of it to third parties without prior written consent of RENOLIT.
