LEMONGRASS SUPERMATT

A soft greenish yellow, designed to entice and stir the senses, Lemongrass Supermatt calls to mind the flavor and scent of the lemongrass leaves. Used in cooking, as well as medicinal purposes, lemongrass is attributed as an ingredient of health and confidence. As a stimulating color, Lemongrass Supermatt, lives up to the attributes of lemongrass. It is fresh, exotic, and always feels new.

Lemongrass Supermatt is a welcome part of the home environment. When viewing this trend colour it becomes an integral part of a space, as natural as a ray of light coming through a window. It is warm, yes, but its lightness conjures the radiance of emerging day.

Around the home, products as diverse as cabinetry and small appliances, textiles and cookware, or accessories and upholstery, can benefit from this shade. From kitchens to children's rooms, living rooms to bedrooms, using Lemongrass Supermatt introduces injections of color joy. You may create a scent-inspired corner with yellow tables and chairs, or use it in the bathroom with accessories that create a sense of clarity. Confident on its own, it is also exceptional as an accent color with classic blue, or green, or can enliven grey.

Lemongrass Supermatt is a unique breath of fresh color in commercial spaces, as well. Hospitality can benefit as public spaces, as well as guest rooms, in hotels want to present a clean, healthy, welcoming ambience. In office buildings, Lemongrass Supermatt can enhance lobbies and reception areas, but also bring lightness to inner spaces, such as hallways and meeting rooms, where natural light may be absent or minimal. Its refreshing hue, and suggestion of healthy elements, makes it an excellent choice for wellness environments.

A color that engages the senses with the ability to conjure enticing smells and wonder tastes, that is Lemongrass Supermatt.
