

CREMONA OAK TORRO

BALLERINA

MTO FLOURISH
COLOUR ROAD JOURNEY 26/27

Soft strength for restorative spaces.

Drawing inspiration from the fragrant cherry blossom and Hanami festivities in Japan, the coral hue **Flourish** symbolises renewal, beauty and vitality. The atmospherically rich yet gentle pastel orange harmonises with both contemporary and traditional design styles. It can be used as an accent colour or applied to larger surfaces. Its softly warming presence nourishes wellbeing, whether it's enjoying restorative me-time or meaningful moments together.

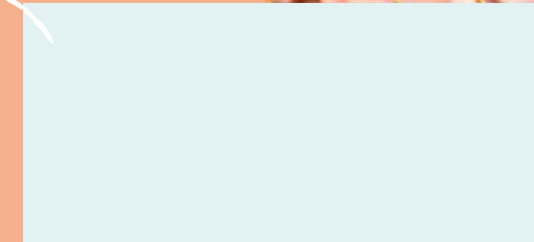

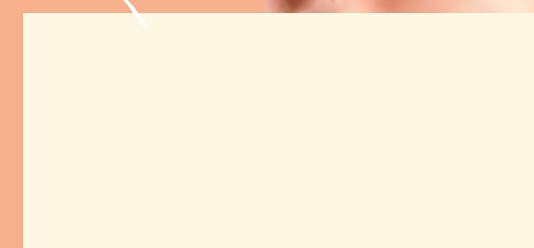

The balance between stimulation and relaxation makes this on-trend colour highly versatile for use in kitchens, living rooms, bathrooms and public areas such as hospitality, healthcare and wellness facilities, as well as offices. When used on furniture, cabinetry and wall panelling, **Flourish** evokes optimism, sensuality and openness.

Matte finishes or fine embossing give the tone a grounded and comforting appearance, while glossy and satin surfaces create an engaging interplay of light. Pairing it with **Cremona Oak Torro** creates an inviting atmosphere that gently replenishes energy. Within the **Soul Sanctuary** palette, **Flourish** is complemented by **Ray of Light**, which adds a touch of familiar playfulness; **Aura**, which brings a refreshing accent; and **Silence**, which provides depth.
