This listing has no ranking and is not indicated to be a classification of the quality. It should only be a recommendation. There could also be other companies offering suitable services. This technical information sheet represents our latest state of knowledge and shall inform without obligation. The herein stated details do not release the manufacturer of our products from their own inspections and tests, which must correspond with the relevant national guidelines for its individual intended purpose. Especially it is the duty of the consumer to control if the purchased product is suitable for its intended purpose.

The recipient of this information shall neither forward nor publish the content or parts of it to third parties without prior written consent of RENOLIT.
